Le dit décès dûment constaté sur la déclaration de André René Poisson âgé de cinquante huit ans propriétair à Neuillé Pont Pierre (Indre et Loire) et de Pierre Alexandre Vaslin âgé de cinquante cinq ans propriétaire demeurant à La Croix (Indre et Loire) tous deux cousins du défunt qui ont signé avec nous Étienne Augustin Albinet adjoint au maire du cinquième arrondissement lecture faite du dit acte

(signé) Vaslin Poisson Albinet

Further information about the cause of death comes from the necrology by Diard (1867):

*As early as last August, he had been struck with a dizziness (stroke?), while looking through the archives of the Paris City Hall. He only recovered from this attack to offer to his numerous friends the sad spectacle of an exhausted intelligence, which was becoming weaker every day. He died suddenly in Paris on the 9th of this month.*
